

# Join us at Care UK

## Sonographers and radiographers in Hampshire, Wiltshire and Buckinghamshire.

£30 – 50k, Full, part-time and bank opportunities available

Our sonographer opportunities will have you working within the community where we'll provide you with real variety through managing a caseload that we'll tailor to suit your skills mix. We use the very latest in mobile scanning equipment and web-enabled technology.

Our radiographers work as part of a friendly, welcoming and expert multi-disciplinary team. You will have several years post graduate experience of working in the UK and a knowledge of current developments in radiographic techniques.

Patient care and employee satisfaction are key to us so we'll ensure continuation of your CPD – making the most of your skills and potential.
