1. Principal Investigator: Stuart Mackay
2. Project Title: An exploration of the emotional intelligence (EI) of radiographers in the UK
3. Amount of Award: £6,926
4. Did you spend the money as indicated in your proposal (if not why)? Yes
5. Did you reach your intended project outcomes (if not why)? Yes
6. What are your significant findings?
   - Radiographers are more emotionally intelligent than the general population
   - Subgroups of radiographer have been profiled and data presented, nuclear medicine radiographers perceived themselves to be lower in EI than other groups
   - No differences emerged between therapeutic and diagnostic radiographers
   - Emotional intelligence
   - Further support for the link between EI and leadership, within radiography leaders.
7. Have you submitted the work for publication (if so where)?
   - Yes published in Radiography and presented at UKRC 2011
   - Dawkes T, MacKay SJ, (2011) UKRC, How Emotionally Intelligent is the profession of radiography? June 2011, Manchester, UK
8. Please provide an executive summary of your work (two sides of A4 maximum)
   - N.B. If you already have a draft or final version of the proposed publication can you please attach.
   - see attached publication
9. Return of application form
   - Please return this form to:
   - Valerie Asemah
   - The Society & College of Radiographers
   - 207 Providence Square
   - Mill Street
   - London
   - SE1 2EW
   - Or by email at ValerieA@sor.org
